National Fire Academy (NFA) 6-Day Off-Campus
Fiscal Year (FY) 2027 Course List

The NFA is accepting requests for FY2027 2-Day Off-Campus courses during the second open Course Call request period for courses offered April 1-September 30, 2027.

The available course list includes offerings across Emergency Medical Services, Arson, Terrorism, Hazardous Materials, Leadership and Executive Development, Fire Prevention, Incident Management, Training Programs, and Responder Health and Safety.

Prerequisite requirements, pre-course assignments, and class size limitations vary by course. Applicants and host organizations should review the individual course webpages before submitting requests.

When enrolling students in a class, please ensure they meet the applicable selection criteria before confirming their enrollment.

Emergency Medical Services

- **N0158: Emergency Medical Services: Quality Management**
