

# Spring Cleaning & Fire Safety

**As you are cleaning out this spring, don't forget about fire safety.**

- Test your smoke alarms, and replace any alarms that are 10 years old or older.
- Test your carbon monoxide alarms, and replace any alarms that are 7 years old or older.
- Check your dryer vents and clean the hosing.
- Clean clutter inside and outside your home.
- Check the cords on your appliances. If any are cracked or frayed, repair or replace them.
- Practice your home fire escape plan.

*Spring Clean!  
Think  
Fire  
Safety*
