Due to increased security precautions, students will be required to show photo identification (ID) to access the campus. PLEASE HAVE THEM WITH YOU, NOT IN YOUR LUGGAGE! Security checks all buses and vehicles entering campus. Please have photo ID out and ready when arriving at the gate. If you do not have a photo ID, you will not be permitted on campus. Security checks will delay your registration at the NETC.

If you are a student from a foreign country, please be prepared to show your passport or visa at registration.

FIREARMS: Prohibited on campus! Due to heightened security requirements, please understand that security and law enforcement personnel may search you, your vehicle or your luggage. Maryland law is very narrow in its definition of law enforcement officers who may carry firearms. For your own protection, and to expedite your processing into the NETC, do not bring weapons of any kind to campus. Weapons include knives with blades longer than 3 inches, machete, bow and arrows, ammunition, rifles, shotguns, pistols, etc. Sworn/Commissioned and State Peace Officer Standards, and Training-Certified Officers, Federal Officers, or local officers with concurrent jurisdiction who require a firearm for the performance of required official duties must obtain an exception from the Director of Support Services prior to arrival on campus. If you arrive at NETC with weapons of any kind without prior approval, your entry to campus will be delayed significantly.

ALCOHOLIC BEVERAGES: Alcohol is not allowed in lodging rooms or vehicles and will be confiscated. Consumption of alcoholic beverages is limited to the Command Post Pub and the Log Cabin.
If you are eligible for stipend reimbursement (see eligibility information on page 25), you should follow the instructions below for making travel arrangements. Please note that if you are attending a conference, workshop or symposium, you should refer to the original announcement to see if stipends are available for that activity.

**TRAVEL BY AIR:**

- You **must** make your own travel arrangements. Available airports were listed in your acceptance email/letter.
- You **must** be sure your flights meet the shuttle pickup/departure times, and the ticket purchase follows the parameters of travel as defined under “REIMBURSEMENT” in this package.

**REIMBURSEMENT FOR AIRFARE:**

- You will be reimbursed the cost of a direct (no side trips or extended stays), **21-day prior to the course travel date** prepurchase, **nonrefundable** ticket for round trip transportation by common carrier (economy coach class, nonrefundable) for each course or back-to-back courses that you attend. **Proof of nonrefundable fare is required!**
- **If you take side trips or travel outside of the defined travel days,** your reimbursement shall be limited to **no more than** the state ceiling amount as noted on the Reimbursement Ceiling Chart.
- **To eliminate the perception of misuse of government funds, FIRST CLASS, BUSINESS CLASS, and REFUNDABLE AIRLINE TICKETS WILL NOT BE REIMBURSED AT FULL FARE,** unless you request, in writing, an exception prior to making your travel arrangements and have received written approval from the NETC Admissions Office. Otherwise, your reimbursement will be limited up to the state ceiling amount.
- **It is your responsibility to find the cheapest ticket available.** Failure to do so may result in your reimbursement being limited to the state ceiling amount.
- **Use of frequent flier miles** toward the purchase of a ticket is **NOT** reimbursable.
- **Fees associated with seat upgrades or early bird check-ins are not reimbursable.**
- **Flight or ticket insurance is not reimbursable.**
- **If any portion of your airfare is subsidized by another source, that portion is NOT reimbursable under the Stipend program.**

**NATIONAL EMERGENCY TRAINING CENTER SHUTTLE SERVICE:**

- Shuttle service is available between NETC and the airport(s) listed on your email notification for this course.

Our transportation will be either a motor coach/charter bus identified with NETC signage in the front window/door or a white passenger van with the DHS logo on the side doors. You may contact the NETC Transportation Office a day before your arrival to inquire as to which vehicle will be used. For airport security reasons, our drivers cannot leave their vehicles, SO YOU WILL NEED TO LOOK FOR THE BUS OR VAN. If you do not see the vehicle five minutes prior to the pickup time, please call the NETC Transportation Office for guidance.

Transportation/Shuttle are not available for NFA State Weekends.
**SHUTTLE PICKUP POINTS AT EACH AIRPORT:** Your email notification listed which airport(s) you may use, and you **must** use one of those airports. If you use a different airport, your reimbursement could be limited, and the ground transportation from other airports will be at your own expense. If your **scheduled arrival time** does not coincide with the shuttle schedule, ground transportation will be at your own expense as well.

- **Ronald Reagan National (DCA) Airport:** Pickup is near the Travelers’ Aid Desk in Terminal “B” (lower level, between Baggage Areas 5 and 6). Buses and vans depart from the outside lane. If you arrive in Terminal “A,” please take the Economy/Rental Car airport bus shuttle to Terminal “B,” lower level, or walk across the terminal connector and go downstairs to exit door number 5, on your left.

- **Baltimore/Washington International (BWI) Airport:** Pickup is near the Lower Level Baggage Areas 13 and 14. There is not a Travelers’ Aid Desk in this location. Buses and vans depart from the outside lane.

- **Dulles International (IAD) Airport:** There is a Traveler’s Aid Desk between Baggage Claim Areas 4 and 5 on the baggage level, located at the east end of the terminal. Go up the ramp and out exit door number 6.

**DEPARTURES:** Transportation departs the NETC at the time designated in your email notification. On your return, you should make your flight four hours from the NETC departure time. This will allow two hours transportation to the airport and two hours for airport security.

**DELAYED FLIGHTS:** If you are scheduled to use NETC transportation and your flight is delayed for any reason, please call the NETC Transportation Office at 301-447-1113 immediately. The airline may be responsible for your transportation to NETC for unrelated weather delays; if they will not transport you, please contact the NETC Transportation Office upon arrival at the airport after speaking with the airline.

**IF DRIVING:**

- You may arrive on campus any time after 2 p.m. the day before your course begins.
- You must depart campus after the end of your course, except for courses with a next-day departure date.

If you were officially deployed, you should have been provided with Deployment Unit Contact Information via the Deployment Tracking System (DTS). You will receive a separate email containing your travel authorization (TA) parent TA number. You should print a copy of the travel authorization and provide it to lodging registration when you arrive on campus. Remember — self-deployment is NOT allowed. ALL travelers who have access to CONCUR must use the system to make travel arrangements. FTEs (including PFTs, TFTs, and COREs) are required to use CONCUR. Reservists (RSVs) who do not have CONCUR profiles should contact the Course Manager and/or the Cadre Coordinator for guidance on how to make arrangements through National Travel. It is important to note that ALL TRAVELERS are required to voucher out using CONCUR even if travel was booked through National Travel.

All questions relating to the travel authorization, including alterations in travel dates, should be addressed to the FQS Call Center via email at fema-iwmo-program-travel@fema.dhs.gov or via phone at 855-377-FEMA (3362).

- You are required to attend all sessions of the course. If you do not, you may not receive a certificate, and your stipend may be denied.

- Any student needing to depart campus early and miss any portion of the course and/or graduation must make the request in writing to the course manager or training specialist. The course manager or training specialist, in collaboration with the superintendent, may waive the attendance requirement in order to accommodate the student with extraordinary circumstances as long as the student completes all course requirements. If you receive approval for departing early, you must forward the approval to the Admissions Office so your stipend reimbursement is not limited.

- NFA students are limited to one reimbursable trip per fiscal year (Oct. 1 - Sept. 30). If you wish to attend a second NFA class (at your own expense), a letter to that effect must accompany the second application stating that you are waiving your stipend reimbursement.

SUBSTITUTIONS:

- Substitutions for NFA and EMI courses are made from waiting lists; slots do not belong to the departments.

- FOR NFA STUDENTS: All requests to consider an equally qualified person must be in writing and be accompanied by a completed General Admissions Application (FEMA Form 119-25-1). Applicants may be placed in the course on a space available basis or may be placed on the waitlist.

- FOR EMI STUDENTS: All requests to consider an equally qualified person must be in writing and be accompanied by a completed General Admissions Application (FEMA Form 119-25-1). Applicants may be placed in the course on a space available basis or may be placed on the waitlist. The application must be submitted for signature through the appropriate State or Regional Training Office.

CANCELLATION OR NO-SHOWS:

NFA and EMI’s mission for delivery of courses is impaired significantly by cancellations and no-shows. It is very difficult and costly to recruit students at the last minute. Currently there is a two-year ban on student attendance for students who are no-shows or cancel within 30 days of the course start date without a valid reason. If you receive such a restriction, your supervisor needs to send a letter to Admissions explaining the cancellation/no-show.

BRING YOUR OWN DEVICE — NATIONAL FIRE ACADEMY STUDENTS:

Additionally, the course materials for your course MAY be available in a downloadable Bring Your Own Device (BYOD) format. - State, local or tribal government representatives.
- Recognized volunteer organization representatives.
- Active emergency management organization representatives.
- Representatives from state or local fire organizations.

If you do not apply for a stipend reimbursement within 60 days following the course start date, your stipend reimbursement will be denied.

STIPEND REIMBURSEMENT GUIDELINES
(For further information, please refer to the “Reimbursement” section.)

▶ It is preferred that you provide a copy of a check for an account that bears your name. Deposit slips or accounts for an organization or another individual are not acceptable. A copy of a check is the best source for the correct financial information. If you are unable to provide a voided check and you are seeking reimbursement, you will be required to provide the following:
  • Name as it appears on the bank account (must contain the student’s name).
  • Bank name.
  • Routing number.
  • Account number.
  • Specify if checking or savings account.

▶ Please bring a copy of your airline ticket/itinerary with you. The Housing Office will no longer be able to make copies for you. You must provide the required documentation in order to receive stipend reimbursement.

▶ If your account is with a credit union or if the account is payable through another bank, please have the bank provide you with the routing and account numbers for Automated Clearing House deposit.

▶ If you prefer, you may fax your information to the Admissions Office 301-447-1441 prior to your course start date. Please include your name and course code/title/date on the fax, along with your original travel itinerary provided by the airline or your vehicle information. Please be sure the copy is legible.

▶ Stipend reimbursements may take six to eight weeks from the course start date. If after eight weeks you have not received your reimbursement, please call the NETC Admissions Office at 301-447-1035.

▶ If you anticipate incurring additional expenses for transportation/lodging costs, you must receive prior written approval to be eligible for reimbursement of these expenses. If approved, original receipts must be presented at the time of your arrival. Your name must appear on receipts provided for reimbursement.

▶ If traveling by air or train, you will need:
  • A copy of your ticket that shows an itinerary of your trip and proves that the ticket purchased is nonrefundable.
  • At least 21 days in advance of the course travel date with travel taking place on the correct travel dates.
  • Economy coach class. NOTE: Travelocity and Expedia itineraries do not show economy coach class. You will need to provide an itinerary from the airline, or your stipend reimbursement may be limited.

▶ Any deviation from the above (including economy upgrades) must be requested in writing and approved prior to ticket purchase.

▶ Reimbursement will not be authorized for first class, business class, economy plus upgrades, frequent flier miles, or fees associated with seat upgrades or early bird check-ins.

▶ If driving, you also will need to provide:
  • Automobile registration.
  • Odometer readings.
  • License tag number.

continued on next page
• A signed statement from the owning agency on letterhead stationery acknowledging your eligibility for reimbursement if you are driving a state, county or municipal vehicle.

• If you drove to NETC, but you will not be keeping your car on campus, it must be registered on campus or you will not receive reimbursement.

REIMBURSEMENT PROCESS:

- Reimbursement will be deposited electronically into the checking or savings account that you identify. This reimbursement may take six to eight weeks following the course start date. If you haven’t received reimbursement by eight weeks, call the NETC Admissions Office at 301-447-1035.

- Reimbursement will only be made to an account that bears your name. You are responsible for reimbursing your department, if applicable. This is a result of increased restrictions by the receiving financial institutions.

- If you do not have a personal account, please contact the Admissions Office prior to your arrival for further instructions.

REIMBURSEMENT FOR:

Airfare:

- You will be reimbursed the cost of a direct (no side trips or extended stays), 21-day prior to the course travel date prepurchase, nonrefundable ticket for round trip transportation by common carrier (economy coach class, nonrefundable) for each course or back-to-back courses that you attend. Proof of nonrefundable fare is required!

- If you take side trips or travel outside of the defined travel days, your reimbursement shall be limited to no more than the state ceiling amount as noted on the Reimbursement State Ceiling Chart.

- To eliminate the perception of misuse of government funds, FIRST CLASS, BUSINESS CLASS, and REFUNDABLE AIRLINE TICKETS WILL NOT BE REIMBURSED AT FULL FARE, unless you request, in writing, an exception prior to making your travel arrangements and have received written approval. Otherwise, your reimbursement will be limited up to the state ceiling amount.

- It is your responsibility to find the cheapest ticket available. Failure to do so may result in your reimbursement being limited to the state ceiling amount.

- Use of frequent flier miles toward the purchase of a ticket is NOT reimbursable.

- Fees associated with seat upgrades or early bird check-ins are not reimbursable.

- Flight or ticket insurance is not reimbursable.

- If any portion of your airfare is subsidized by another source, that portion is NOT reimbursable under the stipend program.

Driving:

- You will be reimbursed the current privately owned vehicle (POV) federal mileage allowance or the state ceiling, whichever is less.

- POV mileage is subject to validation.

- If you do not register your vehicle with the Housing Office, reimbursement for POV mileage may be denied.

- If someone is dropping you off, you must have the vehicle verified by the Housing Office prior to the vehicle departing campus, or your stipend will be denied. continued on next page
If you carpool with another student, only the driver will be reimbursed.

If you drove a rental car instead of your POV, your reimbursement is limited to the POV allowance. Reimbursement will be made to the individual who rented the vehicle. The name of the individual requesting reimbursement must appear on the rental car agreement. Otherwise, the request may be denied.

If you are requesting mileage reimbursement and you are not the owner of the vehicle, you need to provide a letter from the owner stating that you have permission to drive the vehicle.

Registration of the POV must be presented at the time of registration to validate ownership.

Train or Bus:

- Your reimbursement is limited to the cost of the ticket, not to exceed the state ceiling amount.
- You must provide copies of the tickets actually used.
- Reimbursement shall not include costs for sleep accommodations or for transport of vehicles on the train.

SAVING MONEY ON AIRFARE: If you save money on your airfare, you will be reimbursed for extra expenses if you save a minimum of $250 off the cost of a 21-day ticket prior to the course travel date prepurchase, nonrefundable round trip economy class common carrier ticket traveling on the correct travel dates. Submit written documentation of the savings — this consists of itinerary copies of both the original price and the cheaper fare. If you do not acquire written approval from the Admissions Office prior to making your travel arrangements, the extra expenses will not be reimbursed. The following option applies if your request is approved:

You may stay in the Baltimore/D.C. metro areas before or after your course.

- If you save at least $250 in airfare as noted in the terms above, you may be reimbursed up to $90 per day (two-day limit for savings over $500) for lodging or transportation expenses. Original receipts must be provided and must contain the student’s name. If you carpool from the airport using a rental car, only one individual is eligible for reimbursement.

- If you stay after your course ends, ask for a Stipend Agreement Amendment (FEMA Form 119-25-4) when you register. When you return home, mail it with original hotel or transportation receipts containing your name to Admissions, Room I-216, 16825 South Seton Ave., Emmitsburg, MD 21727 within 14 days of the start date of the course or reimbursement WILL BE DENIED.

LUGGAGE REIMBURSEMENT:

National Fire Academy: NFA no longer reimburses students for bag fee costs.

Emergency Management Institute: Students eligible for stipend reimbursement may be reimbursed for their first piece of luggage checked (up to 50 pounds) not to exceed $60 round trip if they provide the required documentation. Receipts are required for both trips (travel to NETC and return to residence). Luggage receipts must be submitted within two weeks of the course end date in order to be considered for reimbursement. Failure to submit receipts within two weeks will result in nonreimbursement for luggage. Legible receipts for charges for the student’s first piece of luggage may be faxed to 301-447-1658 or 301-447-1441 or emailed to netcadmissions@fema.dhs.gov. Students must provide receipts in order to be reimbursed for the luggage. Group requests for luggage reimbursement will be denied. Each student must submit his or her own luggage receipts. Convenience charges and service fees are not reimbursable.

Policy subject to change based on airline policies.
This table will be used to determine reimbursement for NETC students who:
- Drove or traveled by bus or train.
- Purchased tickets less than 21 days prior to course travel date.
- Did not purchase or show proof of nonrefundable fare.
- Took side trips or had extended stayovers.

NATIONAL EMERGENCY TRAINING CENTER

St. Joseph College was purchased by FEMA in 1979 to serve as a training facility. Prior to its official closing in 1973, the college served as a four-year liberal arts college for women. In 1981, the facility was entered into the federal records as the NETC. The NETC houses the USFA (which includes the NFA), the EMI and the Field Acquisitions Section. The following is a brief description of the buildings identified on the map.

- **The Fallen Firefighters Memorial** was dedicated on Oct. 4, 1981, and on October 1990 Congress designated it as the National Fallen Firefighters Memorial. It is a memorial to firefighters who lost their lives in the line of duty.

- **Building A** A three-story residence hall built in 1964 and renovated in 1996. It has 96 dormitory rooms. (I)

- **Building B** The Student Center, built in 1956, is the location of a game room, pub and recreational activities. A large picture window overlooks the scenic Catoctin Mountain range. (F)

- **Building C** Built in 1956 and renovated in 1995, it has 216 dormitory rooms. (F)

- **Building D** Built in 1926 and renovated in 1965 and 1995, it is a three-story brick structure that has the charm of the old architecture. It consists of 39 dormitory rooms with offices and a convenience shop in the basement. (G)(I)

- **Building E** Built in 1926 and renovated in 1966 and 1993, it is occupied by the EMI, National Fire Programs, NETC Budget offices, and computer support personnel. (F)

- **Building F** Built in 1925 and renovated in 1965 and 1995, it has 45 dormitory rooms. (G)(I)

- **Building G** Built in 1948 and renovated in 1984 and 2001 to accommodate USFA Offices and Programs. (G)

- **Building H** Built in 1923 and renovated in 1993, it houses the National Fire Academy offices, a fully equipped Gymnasium, weight room and an indoor pool. (F)

- **Building J** Built in 1966, renovated in 1993, it is the NFA classroom facility and houses the NFA staff. It includes a lobby and a tiered 249-seat auditorium. (F)

- **Building K** Built circa 1870, renovated in 1982 and 1993, it houses EMI classrooms. The three-story brick structure also contains a Dining Hall capable of seating 500 people, Independent Study in basement, and EMI classrooms on second and third floors. (F)

- **Building L** Built in 1959, renovated in 1993, it consists of 37 dormitory rooms and a conference room. (I)

THE NATIONAL CIVIL DEFENSE/EMERGENCY MANAGEMENT MONUMENT

On Nov. 13, 1999, President Clinton signed a bill (HR 348/PL 106-103) that granted authority to the National Civil Defense Monument Commission to construct a monument at the NETC in Emmitsburg, Maryland.

The purpose of the monument is to honor the thousands of civil defense and emergency management professionals and volunteers who have worked hard and faithfully to protect the public from both man-made and natural hazards. This monument particularly recognizes the numerous military and civilian volunteers and professionals who have gone beyond the normal call of duty to save lives and alleviate suffering in times of crises. The monument serves as an enduring reminder of the heartfelt thanks that a multitude of people feel whenever they remember those who have selflessly served them or their loved ones in times of great need.

The centerpiece of the monument is a 15-ton block of polished white Vermont granite, shaped as a three-sided pyramid, representative of the federal, state and local governments and their efforts in working together to accomplish a joint mission. The triangular base is 5 feet on each side, rising to 15 feet in height. The pinnacle of the monument is capped with a large, bronze American eagle, sculpted by the world-renowned sculptor, Lorenzo Ghiglieri. The base is encircled by a stone and concrete plaza with appropriately inscribed bronze state plaques embedded in concrete, surrounded by a circle of state flags. A brick wall rises approximately 3 feet in height on the back or south side of the plaza. Near the edge of the plaza are two bronze plaques bearing the names of advocates and members of the Monument Commission.

The monument was dedicated on April 6, 2002. The Monument Commission plans to hold an annual memorial service to pay tribute to those who have given to their fellow citizens by mitigating the potential losses from emergency situations, for those who have responded to emergencies, and to the professionals and our elected officials who strive to improve the methods of handling emergencies.

NATIONAL FALLEN FIREFIGHTERS MEMORIAL/NATIONAL FALLEN FIREFIGHTERS FOUNDATION

Since 1981, the National Fallen Firefighters Memorial, located on the campus of the NFA, has stood as the national symbol of honor to America’s firefighters. In 1990, the U.S. Congress designated the monument as the “official national memorial to volunteer and career firefighters who die in the line of duty.”

The National Fallen Firefighters Foundation (NFFF) was created by Congress to lead a nationwide effort to honor America’s fallen firefighters. Since 1992, the nonprofit NFFF has developed and expanded programs that fulfill that mandate. The mission is to honor and remember America’s fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives.

Each October, the NFFF sponsors the official national tribute to all firefighters who died in the line of duty during the previous year. Thousands attend the weekend activities held at the NFA. The weekend features special programs for survivors and co-workers along with moving public ceremonies.

HELP SURVIVORS ATTEND THE WEEKEND

The National Fallen Firefighters Memorial Weekend is traditionally held the Sunday that begins Fire Prevention Week in October. The NFFF provides travel, lodging and meals for immediate survivors of fallen firefighters being honored. This allows survivors to participate in Family Day sessions conducted by trained grief counselors and in the private and public tributes. Both the Candlelight Service and the National Memorial Service are broadcast live via satellite and streamed over the Internet.

OFFER SUPPORT PROGRAMS FOR SURVIVORS

When a firefighter dies in the line of duty, the NFFF provides survivors with a place to turn. Families receive emotional assistance through a Fire Service Survivors Network, which matches survivors with similar experiences and circumstances. Families receive a quarterly newsletter and specialized grief publications. The NFFF website provides extensive information on survivor benefits, NFFF programs and other resources.

AWARD SCHOLARSHIPS TO FIRE SERVICE SURVIVORS

Spouses, life partners, children and stepchildren of fallen firefighters are eligible for scholarship assistance for education and job training costs.

HELP DEPARTMENTS DEAL WITH LINE-OF-DUTY DEATHS

Under a Department of Justice grant, the NFFF offers training to help fire departments handle a line-of-duty death (LODD). Departments can receive extensive preincident planning support through training programs such as Taking Care of Our Own. Immediately after a death, a Chief-to-Chief network provides technical assistance and personal support to help the department of the family. Local Assistance State Teams provide assistance and comfort to the family and department after a LODD and help with filing for federal, state and local benefits.

WORK TO PREVENT LINE-OF-DUTY DEATHS

With the support of fire and life safety organizations, the NFFF has launched a major initiative to reduce firefighter deaths. Visit the Everyone Goes Home® website to learn more about the 16 Life Safety Initiatives and to download valuable training and resource materials (www.everyonegoeshome.org).

CREATE A NATIONAL MEMORIAL PARK

The NFFF is expanding the national memorial site to create the first permanent national park honoring all firefighters. When completed, it will be the first permanent memorial area in the country honoring all members of the fire service. A “Walk of Honor” now winds through the park and contains over 9,000 inscribed bricks. Future plans include honoring pre-1981 LODDs. A plaza is being created in front of the “To Lift a Nation” sculpture that will include bricks honoring the Fire Department of the City of New York’s LODDs dating from 1865. Engraved bricks are added on the walk twice a year. Brick forms may be downloaded from the NFFF’s website, or bricks may be purchased in person at the NFFF’s office. In 2006, a multiyear restoration of the National Fallen Firefighters Memorial Chapel was completed, and the NFFF offices are there.

TO LIFT A NATION (THE 9/11 NATIONAL MEMORIAL)

In 2007, the “To Lift a Nation” statue created by sculptor Stan Watts was added to the National Memorial Park. This 40-foot tall bronze monument was created to honor the heroes of Sept. 11, 2001. The three-times life-size statue recreates the now-famous photo taken by Thomas E. Franklin, a photographer for the Bergen Record, who captured the image of three firefighters raising the American flag at Ground Zero. “The monument and its flag are symbols of hope and courage for a nation deeply impacted by this tragedy,” Watts said. “It honors a moment in the history of our country and reminds us of the bravery and sacrifice made by our firefighters and by thousands of citizens, from all walks of life, who selflessly serve humankind in times of need.” The monument stands 40-feet high, 6-feet deep, and 8-feet wide. Each of the three firefighter statues weighs more than 5,000 pounds and was formed from approximately 160 bronze sections weighing between 60 to 80 pounds each.

</table>
1. Why must I be reimbursed electronically? Public Law 104-134 mandates that after Jan. 1, 1999, all federal payments shall be made by electronic funds transfer unless a waiver is obtained from the Secretary of the Treasury.

2. If my organization paid for my ticket, may I request that the reimbursement go to them? Due to increased restrictions by the receiving financial institutions, money will only be deposited into an account bearing your name. You may then reimburse your organization.

3. What if I don’t have a checking account? The money can be deposited into a savings account. If you don’t have a checking or savings account, you must submit a letter stating that fact, and a check will be sent to your home address. However, your reimbursement may take up to 12 weeks.

4. How will I know when my reimbursement is deposited? The entry in an account may differ from bank to bank, but most likely it will be listed as “FED SALARY, FEM2, or TREAS” and will probably not have your name next to it.

5. How long will it take for me to receive reimbursement? The reimbursement should be made to your account no later than eight weeks from the course start date. If after eight weeks you still haven’t received your reimbursement, please call the Admissions Office at 301-447-1035 or email us at netcadmissions@fema.dhs.gov to check on the status of your claim.

6. What would delay my stipend being processed? Your stipend may not be processed because of not having any of the following: 1) your airline ticket; 2) itinerary with ticket number and payment made (ticket number pending is not acceptable); 3) POV information; 4) request from your organization for reimbursement; or 5) the appropriate direct deposit information. If you bank with a credit union, please have them confirm your routing and account numbers.

7. What would reduce my stipend claim? Your stipend might be reduced if you purchased a refundable, first- or business-class ticket; took side trips or had extended stays; or purchased your ticket within 21 days prior to the course travel date.

8. What if I am submitting an electronic airline ticket? You must submit the itinerary receipt (listing the ticket number and showing that payment was made) at registration. If the itinerary does not identify that the ticket is nonrefundable, you need to provide us with documentation that the ticket is either nonrefundable or the cheapest fare available at the time you purchased your ticket. If you do not provide the documentation to us, we will only reimburse up to your state’s ceiling amount.

continued on next page
9. Will I be reimbursed for the airfare if frequent flier miles are used? Frequent flier miles cannot be reimbursed because you would not be incurring out-of-pocket expenses.

10. What do I need to provide if I take a side/extended trip? If the cost is less than your state's ceiling amount, you will be reimbursed for the cost of the ticket. If the cost is higher than your state's ceiling amount, your reimbursement will be limited to your state's ceiling amount. Any request for travel deviation should be requested in writing prior to purchasing a ticket.

11. Do I receive reimbursement for parking, shuttles and travel between my home and my local airport? No, those expenses are part of the student's share of the stipend program.

12. Will I be reimbursed for my meals? No, that expense is also part of the student's share of the stipend program.

13. What is the driving mileage allowance? Your reimbursement will be limited to the current POV federal mileage allowance or the state ceiling, whichever is less. POV mileage is subject to validation.

14. What information should I bring when driving my POV? You must show a picture ID (we recommend you bring two in case our security level is elevated), registration card, and have your odometer readings and license tag number prior to receiving your room key. Some states do not require the registration to be in the vehicle. However, you must submit a copy of your POV registration to be eligible for a stipend.

15. What documentation do I need if I am driving my organizational vehicle and they want to be reimbursed for my mileage? In addition to the information listed in question 14, you also need a statement from your organization, on your organization's letterhead, stating that you are authorized to drive the vehicle and they would like you to receive reimbursement. If you carpool with another student, only one driver will be reimbursed. As stated in question 2, the reimbursement will be made to your account. You will be responsible for reimbursing your organization.

16. What if I’m driving with family and they will be using the car off campus while I’m at NETC? You must register your car on campus prior to your family taking the car off campus, or you will not be eligible for reimbursement.
